NORTHERN CALIFORNIA WINES AT OUR BAR.

Live Fire Pizza celebrates the wonderful bounty of Northern California out of our feature wood fired oven. The delicious and approachable menu, crafted by Liza Shaw (San Francisco's A16 | Redd Wood | Merigan Sub Shop), features artisan pizzas, salads, sandwiches and plenty of wine country inspired small plates. Our beer and wine bar is steps away from our comfortable patio that overlooks the scenic vistas facing the Alta Heights hills on the eastern border of Napa.

Stop by to pack a picnic on the way to the vineyards or enjoy the always bustling
